**FIG. 4A**

FIG. 4A is a check-out form. At the top, it is titled "Check-out". Below the title, there are four fields: "Card Type" with a solid rectangular input box (labeled 110), "Card Number" with a dashed rectangular input box (labeled 100), "Name" with a dashed rectangular input box, and "Address" with a dashed rectangular input box. At the bottom left, there is an "Option" field with a solid rectangular input box containing three small squares (labeled 112). To the right of the "Option" field is a "Back" button (labeled 104). A bracket (labeled 100) groups the "Card Number", "Name", and "Address" fields.

**FIG. 4B**

FIG. 4B is a check-out form. At the top, it is titled "Check-out". Below the title, there are four fields: "Card Type" with a dashed rectangular input box (labeled 102), "Card Number" with a solid rectangular input box (labeled 114), "Name" with a dashed rectangular input box, and "Address" with a dashed rectangular input box. At the bottom left, there is an "Option" field with a solid rectangular input box containing five small squares (labeled 112). To the right of the "Option" field is a "Back" button. A bracket (labeled 102) groups the "Card Type" and "Card Number" fields.
